

JOB OPPORTUNITY

UPF Finland Oy, Turku, Finland

OPERATIONAL MANAGER

Are you looking for the next step in your career? Interested in new endeavors in a truly international working environment? Do you come with experience from the forwarding / transportation / shipping industries?

If you answered yes to all or some of the above questions you might be the right candidate for our open position of **Operational Manager** at UPF Finland Oy, in our Turku office.

About UPF Group

UPF Finland Oy is a part of the multinational UPF Group. Our office is situated in Turku port area. Currently we have offices in 7 countries (*Finland, Denmark, Portugal, Mozambique, Angola, Tanzania, and South Africa*) and trusted partners and customers worldwide.

Our transport services cover anything from a few express pallets up to large industrial transports with high and heavy "over dimensional" cargo.

In Finland, we specialize in creating tailor-made logistics solutions for a variety of international clients. Additionally, we also offer port agency services for vessel owners.

We are a fresh company in the project transport market, based on a very experienced staff. Our aim is to expand our team and establish our position as the go-to service provider in the project transport segment.

Job description

As an Operational Manager, you will have a variety of tasks such as, but not limited to:

- Handling transport and/or vessel agency bookings.
- Supporting sales by collecting costs from suppliers and quoting clients.
- Invoice handling.
- Building and maintaining a strong relationship with your suppliers and clients through your everyday high level of service.

Candidate Qualifications

- A positive mindset and a can-do attitude.
- Educational background in the industry of freight forwarding / transportation / shipping **and/or** previous experience within the industries.
- Fluent in Finnish and English, other languages considered as beneficial.
- Accustomed user of Microsoft Office software.
- The ability to stay organized and calm in a sometimes fast-paced environment.
- Self-motivated, but can also work effectively as a team member.

- Readiness for occasional travelling domestically and abroad (*valid passport and drivers' license*).

What can you expect?

- A young company with a focus on entrepreneurship and an agile organization chart.
- Skilled management that will support you in your daily tasks and all the way through your career.
- By showing self-determination and care, you earn the freedom for independent decision making in your daily work and the possibility to gain more responsibilities.
- You get to network with various stakeholders in the international transport industry.
- Possibility for partial remote work, after the introduction period.
- Broad healthcare package, including a dental care benefit.
- Sponsorship for monthly exercise.
- Telephone benefit.
- Salary according to your experience & performance. As minimum, always according to local legislation and the valid Collective Labor Agreement for forwarders in Finland (Finnish: "*Huolintalan toimihenkilöiden työehtosopimus*"), available by request.

With your CV and application, or with any further enquiries, you are most welcomed to contact UPF Finland Oy's Managing Director, Mr. Jussi Heinonen (*contact details further below*).

Act now, the position will be filled out when the suitable candidate is found.
We are looking forward to hearing from you!
